OVERVIEW:

With more than 30 years of construction experience and expertise in property loss mitigation and restoration, Jeff offers specialized skills in estimate writing, inspections, and negotiation for commercial and residential properties. Career training, deep industry knowledge, and related experience in property management has allowed Jeff to efficiently provide reasonable solutions to complex issues regarding insurance losses.

PROFESSIONAL EXPERIENCE:

Brightstar Property Services, LLC: 2016-Present

As founder and owner, Jeff has provided independent adjustment services for CAT and daily claims, as well as competitive bid estimates for construction companies and carriers. Under Jeff's management, Brightstar Property Services restores properties damaged by water, wind, and fire.

Role: Chief Executive Officer, Consultant

Resto Corporation: 2010-2016

Jeff oversaw and led operations for every restoration project, from inspection to rebuilding. Jeff worked closely with each customer to ensure their estimate was accurate and their home or business was rebuilt with personalized care. Utilized Simsol and Xactimate.

Role: General Manager

RECENT PROJECTS:

Assigned and closed over 150 statewide IRMA claims.

Handled over 4,000 daily claims for various major carriers.

Provided inspections and estimates for commercial and residential properties related to Hurricane Sally, IRMA, Hurricane Sandy, and Texas Freeze 2021.

Worked with Gilbane to conduct 400+ inspections for NJ DCA through the RREM grant program and provided estimates that determine grant awards.
